ABSTRACT
The study was carried out at the Teachers Service Commission Headquarters Nairobi. The commission has other branches at the Provincial and District level all over the country.
TSC is a government parastatal under the Ministry of Education headed by a Commission Chairman.
The purpose of the study was to find out how performance appraisal is conducted at the TSC.
Sixty questionnaires were distributed to staff members who helped in filling in the questionnaires.
Chapter two is the review of related literature in relation to the problems stated.
In chapter three the investigator has explained the methodology applied in carrying out the research.
Chapter four is the analysis of data collected by the questionnaires in which the investigator established founding of the study.
Chapter five contains a summary and recommendations made by the researcher from the analysis.
