**SUBJECT: SCHEDULE FOR PROPOSAL DEFENSES FOR THE M.A IN PROJECT PLANNING AND
MANAGEMENT- OCTOBER 2014 INTAKE**

This is the proposed schedule for proposal defenses for M.A in Project Planning and Management students, October 2014 intake defenses which will run from 11th February, 2016 to 9th April, 2016. In order to reduce expenses incurred during the exercise, the Director CESSP advised that we combine the Sub-centre with the main Extra-Mural Centres. I have indicated the facilitators and seminar date for each centre. However, if the students in your centre are too many to be combined, you should communicate in advance for adjustment.

I therefore request each one of you to take this exercise seriously and adhere to the schedule.
